

LOTS OF THINGS ARE STARTED

that are never finished, but, there never was a thing finished that wasn't started.

The sooner a thing is started, then the sooner we Accomplish the Undertaking.

This applies in a special way to the opening of BANK ACCOUNTS. The sooner the account is opened the sooner the funds begin to accumulate; and while it is never too late to be thrifty the earliest moment you can begin will not be any ahead of time.

You will agree with us, we are sure, that is the simple truth.

We are opening up new accounts every day, let your's be next. You can open up an account for any amount, and we pay interest on TIME DEPOSITS.

"They Satisfy"

Grand Master Byrne of the I.O.O.F. Lodge was in Roy the latter part of the week.

Merrill Brothers, owners of the Solano garage, were in Roy on business Tuesday. They report business at their garage very rushing.

The election returns are still coming in slowly especially on the amendments. Senator Bursums' majority still stands above the 7000 mark. Amendments 1 and 11 are safe and the chances for No 4 are fairly good while all others seem defeated.

C. Y. Hooker, who has had charge of the Western Union for the past several months, has left for Denver where he will spend a few weeks before taking up his new duties at Selida, Colo. We understand that a certain young lady was deeply grieved because Mr. Hooker changed locations.

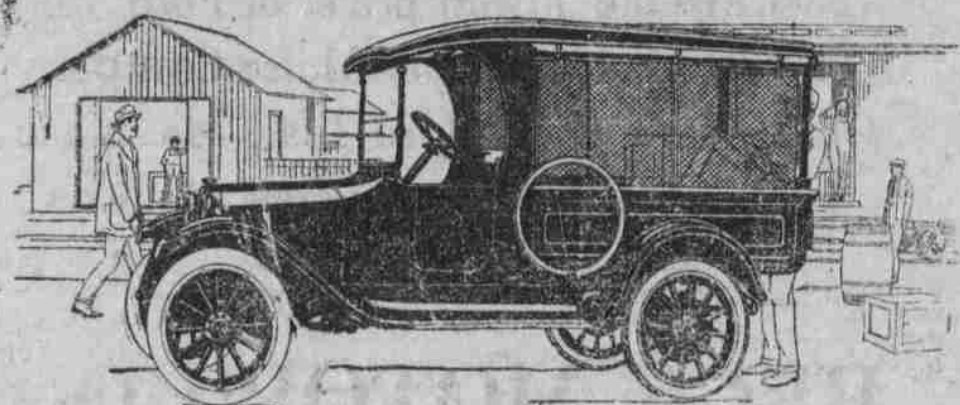

The following people have purchased new Sampson trucks from the F. S. Brown Motor Co. during the past week, William Heath, Russel Kern, J. H. Mahoney, Chris Wendland, W. H. Gay and Ab Wagner. There is a reason that so many farmers are purchasing Sampson trucks, as they are considered the best truck for the money sold on the Mesa.

A number of the young folks and the older ones too, spent last Saturday evening at the beautiful home of Mr. and Mrs. W. H. Guthman. The evening was spent in playing games, dancing and social conversation. A fine lunch was served by the host and hostess to those present. All present report a fine time and one of those evenings to be long remembered.
